

- 1 FSPs take a pre-assessment to demonstrate current knowledge.

My Career Compass

- 2 Career Compass (a software program) maps the pre-assessment results into a transcript of skills showing competency attainment and gaps.

- 3 Compass results produce an individualized learning pathway.

- 6 FSPs take post-module quizzes to demonstrate new knowledge.

- 5 FSPs choose modules to take in order to fill their knowledge gaps.

Infant and Early Childhood Development

Typical and atypical development

- Developmental stages and milestones ✓
- Developmental domains
- Individual needs and differences ✓

- 4 FSPs view their competency attainment and gaps to direct their new learning.

- 9 FSPs continue to grow in knowledge through advanced module courses, digital badging, and more!

- 7 Career Compass updates and shows progress in FSP's transcript.

- 8 FSPs take the National Family Certification Exam when they are ready. FSPs that pass the Certification Exam receive their National Certification.
