Action Plan: (Each learner’s plan will be unique. To get you started, some ideas are listed below.) As a result of this training, I will...
  • Develop a confidentiality script and practice it with my supervisor and colleagues until I am comfortable using it.
  • Review my agency’s confidentiality policies and procedures with my supervisors.
  • Think about my daily routine from a “confidentiality” perspective. Should I make changes in my daily routine to ensure that I am maintaining confidentiality?
  • Bring any concerns about confidentiality concerns to my supervisor for guidance.
